

2024 CLC Teamwork Award

Overview

The teamwork award has been established to encourage CLC attendees to communicate and network with other chapters in order to share advice, programs and ideas with one another. This year's teamwork award will be based on your region.

Some of the work can be completed and submitted prior to CLC, while others must be accomplished at CLC. The team that accumulates the most points by the end of the conference, each of those chapters will receive teamwork on the matrix and bragging rights. Unless otherwise notes, items must be submitted to chapters@scte.org or Registration by **8am, Wednesday, April 10th**.
